Professional Summary

Full-stack developer with expertise in modern web and mobile technologies. Proficient in building responsive and interactive front-end applications using React and React Native, styled with Tailwind CSS for efficient and consistent design. Experienced in backend development with Laravel, creating robust APIs and server-side logic. Skilled in developing cross-platform solutions, from web applications to mobile apps, with a focus on performance and user experience. Committed to writing clean, maintainable code and staying current with industry best practices.

Experience
